

Education

2025–Present **Science Master Class (BSc and MRes)**, *The University of Hong Kong*

Year 1 student, intended major in Physics (Intensive), minor in Mathematics.

Units in Progress MATH2012, MATH2101, MATH2211, PHYS1150, PHYS2150, PHYS2250 (Introductory Mechanics) (PHYS1150 and PHYS2150 include MATLAB)

Transferred Units MATH1013, MATH4501 (Geometry)

ECA Department of Mathematics Info Day Helper

2019–2024 **HKDSE Curriculum**, *CCC Heep Woh College*

Physics Modules: E2, E3 (school); E1, E2 (exam, full marks in long questions)

ICT Elective Module: Database, Web App Development, Computational Thinking (SQL, PHP, HTML, CSS, JS, Python, C++)

Achievements Mrs. Carol Tsang Academic Award (ICT) 2024, 2025; Full marks in ICT School Based Assessment

ECA Workshops in Illustrator & Photoshop, Chairperson in Science Society, Physics Society and ICT Society in the Secondary School

Work Experience

USEMO Grader ([Report](#))

HKJSMS President (2024), Student Advisor (2025)

Tutoring Math Olympiad Tutor of HKSYCIA Wong Tai Shan Memorial College (2026), Physics Olympiad Tutor of CCC Heep Woh College (2024)

HKU Manim Video Production Team Making the teaching videos used in the HKU Department of Math courses.

Projects

ICT School Based Assessment (SBA) Developed a Python game using SQLite, Pygame, and SciPy. Awarded full marks in the school.

Physics SBA Used Python (Pyplot, NumPy) for regression and hypothesis testing. Final score: 95/100.

IOAA Note Working under advice with a PhD from NAOC ([Release](#))

Academic Achievements

Physics Chinese Physics Olympiad Semifinal (2nd Honour, 2025); Pan-Pearl River Delta and Chinese Elite Schools Physics Olympiad (3rd Honour, Integrated Test, 2024), Problem Setter of the Test in Physics Enhancement Programme for Gifted Students

Astronomy International Olympiad on Astronomy and Astrophysics (IOAA) Hong Kong Representative (2025); BAAO Silver (2024); CAAO Honourable Mention (2025)

Mathematics IMO Hong Kong Selection Prelim (Bronze); IMO Training Level 1/2; APMO Participant (2023–25); Chinese Math Competitions (for Undergrad, 2026)

Informatics HKU Robocon Electronic Team (Participant); HKU Programming Contest Team (Participant)

Publications

APMO Official Solution (Collaborating with Brazilian team; [GitHub](#))

IAL Mathematics for International Advanced Level and Bridging to STEP ([NoteSity](#); It is planned to publish a IB Computer Science and DSE ICT reference book.)

HKDSE DSE ICT Mock (It is planned to be release through NoteSity and the link will be updated later)
